This Valentine's Day think outside of the box of chocolates. Indulge your sweet-tooth while giving your sweetheart a romantic and unique V-Day with a dessert experience with Sugartooth Tours. For just \$50, this 2 to 2 ½ tour includes at least five delicious tastings as well as a large helping of NYC history- both culinary and cultural. You'll also have the option of purchasing a cocktail pairing at the last destination. And as a special bonus, in February the company will donate \$1 for every ticket sale to any of its tours to CityHarvest.
